Employee Retention TAX CREDIT

Government Tax Credits

In order to provide economic relief to businesses and individuals during the Coronavirus pandemic, the CARES (Coronavirus Aid, Relief and Economic Security) Act was signed into law in March 2020.

This \$370 billion stimulus package makes funding available to small companies, which can be used to allow certain employers who retain employees during the crisis, to claim a tax credit. This tax credit is known as the Employee Retention Credit (ERC).

About the Credit

The ERC allows eligible employers to claim a credit against 50% of wages paid per quarter, up to \$10,000 per employee annually, for wages paid between March 13, 2020 – December 31, 2020.

The maximum credit is \$5,000 per employee.

In December 2020, under the Covid-19 Relief Package, the ERC was extended from January 1, 2021 – December 31, 2021. This extension allows eligible employers to claim a credit against 70% of wages paid per quarter, up to \$10,000 per employee, with a maximum allowable credit of \$26,000 per employee.

Who Qualifies?

There are two ways that a business can qualify:

1. Full or partial suspension of business operations as a result of a government order
2. A significant decline in revenue compared to the same quarter in 2019.

Decline in revenue is defined as equal or greater than 50% for 2020 and equal or greater than 20% for 2021.

How do eligible employers obtain their ERC?

Lifetime Advisors will review the relevant financial records to calculate the dollar amount of the eligible employer's expected credit. Lifetime Advisors will then complete and file the relevant IRS forms for the employer and retain all necessary documentation.

Are there any costs?

Contingency of 20% - only when employer qualifies and tax work is completed.

CARES ACT
All wages paid between March 13, 2020 and December 31, 2020
Payroll tax credit rate - 50 percent of Qualified
Limit on per-employee creditable wages - \$10,000 for the year
Eligibility for the credit - reduction of gross receipts by at least 50 percent of the comparable quarter in 2019
